

Head protection

Go-Specs II Clear Anti-Fog Lens

SAFETY GLASSES

Sleek, low profile safety hybrid eyewear; Goggle-like protection and replaceable lens options

Specific benefits

Comfort

- Better fit than goggles for better comfort and worker acceptance: best compromise between safety glasses and goggles, more compact, lighter, more comfortable
- Fork-type headband provides low and consistent pressure on the wearer's head without sacrificing comfort.
- Increased comfort and optimal sealing

Hygiene

- Premium Supercoat for a better resistance if cleaned with soap and water

Performance

- Barrier against dust and sweat
- Classic safety sunglass style impact ballistic rated safety glasses.

Technologies and labels

- SuperCoat™ anti-fog coating provides long lasting, washable, anti-fog, anti-scratch and anti-static protection.
- 2-in-1 interchangeable arms

Applications

- Agriculture
- Public Works
- Building
- Heavy Industry
- Maintenance
- Oil & Gas (Extraction)
